

SALIENT FEATURES OF MENTORS EDUSERV ACHIEVER'S / STAR BATCH
--

1. Lectures by most renowned Gurus led by Mr. Anand Jaiswal (Guru of AIR 1,2,3,4,8....in IIT-JEE) himself.
2. Small batch of maximum 40 students in a separate building with residential facilities (optional) devoted exclusively to Achiever's Batch. There are separate Achiever's Campus for Boys and Girls JEE/PMT Aspirants.
We have also Star Campus for Star Batch students at Boring Road. The facilities will be similar to Achiever's batch in Achiever's Campus (refer to Page No. 14-16 of Information Brochure).
3. Well researched & well proven schedule to be followed by the students from 7:00 AM to 11:00 PM which includes Supervised Self-Studies, Classes, Doubt clearing Classes, Fooding, Resting, Waking/Sleeping, Recreational time etc. (For Sample Time-Table of Achiever's Campus, refer to Page No. 15 of Information Brochure). We recommend this study schedule but depending on the choice of Student, he/she can follow one of the below mentioned schedules:
 - (i) Complete residential facility at Achiever's Campus with 24 hours supervision.
 - (ii) For non-residential students, 8 AM to 8 PM Schedule.
 - (iii) For School going non-residential students, 3:30 PM to 8 PM Schedule during School days and 8 AM to 8 PM schedule on Holidays (optional).
4. Supervised Self-Study: To encourage timely and effective self-studies, special self-study space is provided to the students. During the entire self-study time, a supervisor is present in the class to maintain the discipline in class. During the supervised self-study time, expert subject teacher is available for on spot doubt clearing arising during self-study.
5. Rigorous Practice is done through Mentors Eduserv Classroom Study Materials (for details refer to Page No. 4-5 of Information Brochure). Other selected Reference Books & Study Materials are available in library.
6. Subject-wise Note Book: Students have to maintain separate Note Books for each Subject. The questions in the Study Materials or Books or Test papers should be solved in a proper way in the Note Book. Your Note Book will be checked regularly by subject teachers.
7. A Unique Testing System which includes Weekly Tests, Progress Tests & Phase Tests (for details refer to Page No. 5-6 of Information Brochure).
8. Mentors Eduserv All India Test Series (MEATS) is provided (for details refer to Page No. 22-23 of Information Brochure).
9. Add on Tests: We also provide our students other selected available Test Series.
10. Revision Tests: After Course completion, revision is done by monitored schedule and revision tests.
11. Solution: Solution for each test is given after the test. With the help of solution, students can know which type of mistake is made by them in the test.
12. Error-Listing: After each test, students have to sincerely & honestly do the detailed Error-listing of all the wrong/ unattempted questions of the Test in the prescribed format as instructed by your teachers in the class. Example:

Q. No.	Your Answer	Correct Answer	Reason (if answered incorrectly / unattempted)
3	A	B	Solved correctly but filled OMR incorrectly.
7	D	Forgot Formula of Orbital Velocity.
14	B	C	Incorrect option was asked but filled correct option in OMR Sheet.
23	C	A	Decreasing order was asked but answered according to Increasing order in OMR sheet.

In Error-listing, a student also have to write about how much time they gave to particular subject and sequence of the subjects attempted by them in the test. Based on their performance in the test, errors made by them and sequence of subjects they maintained, we advise them how can they manage time effectively during the examination, sequence of subject to be followed etc. to score more marks with the same knowledge.

13. Monitoring the performance of students through Mentors Eduserv Micro Level Academic Performance Analysis (MEMAPA) of each Test (for details must refer to Page No. 12 & 13 of Information Brochure). Students can also download the Mentors MEMAPA Android Mobile App free from Android Playstore/IOS App Store. Computer facility is available for the students to see their micro level analysis at hostel.
14. Result: Result of each test is displayed on the Notice-Board showing total marks scored, subject-wise marks scored, subject-wise negative marks scored, overall rank, subject-wise rank etc. Also, the average of previous 4 tests are reflected on the Notice-Board with separate JEE MAIN/NEET average & JEE ADVANCED/AIIMS average.
15. Test discussion: We prepare a "Question Report" (as shown below) reflecting how many % of students have correctly done, wrongly done or left unattempted a particular question (for details must refer to Page No. 13 of Information Brochure). The questions on the basis of question report which were not done or incorrectly done by 50% or more students are discussed in the class within 3 days after the test. Rest doubts the students clarifies in doubt session.

16. Assignments: Special assignments based on least answered questions & mostly wrong answered questions analyzed from Question Report of each test.
17. Assignment Note Book: The above assignments is distributed on the day of weekly test. Students have to maintain separate Assignment Note Books for each Subject. Students have to solve the questions in the assignments in a detailed and proper way in the Note Book. The questions in the assignments will be discussed by your teachers before next test.
18. There is availability of Expert Gurus for on-spot doubt clearance during supervised self-study time.
Doubt Note Book: Students have to maintain separate Doubt Note Books for each Subject. While coming for the SDCC, students need to do the following:
 - Mention the reference of their doubt whether it is in a Question or in Theory.
Example: Book Name/Assignment/Test Paper, Page No., Question No. etc.
 - Show their attempt of the question in the Note Book to the teacher.
19. Individual Counselling & Motivation: Individual Counselling & Motivation is done time to time on the basis of error report & performance of students in the tests. Students are guided for Confidence Build-up, Time Management Strategies, Error Minimization Techniques, order of subject selection during exam, enhancement of Analytical Ability, Exam Day & Exam Hall Temperament, Stress Management etc. Such counselling & motivations are required for the students to enhance their performance and also to keep them sincere & alert.
20. Feedback Cell: Keeping proper monitoring on teaching, doubt clearance and all the other facilities provided by the management to the students through detailed written feedback which is taken by our feedback team. This feedback team is very important and useful in creating maximum satisfaction among the students. Regular interaction is also done with the students in class.
